Brio 505

Brio 505 is a 1080p plug-and-play webcam certified for the major video calling platforms. Deploy it with confidence to workstations and home offices. Features such as advanced light correction, auto framing[1,2], noise-reducing mics, and Show Mode[1] provide a flawless meeting experience for employees with little to no effort on their part.

- **Deploy with Confidence:** Certified for *Microsoft Teams*, *Zoom*, *Google Meet*, and *Works With Chromebook*, compatible with popular meeting apps, and TAA compliant[3]. Easily deploy and manage with Logitech Sync[4].

- **Advanced image quality:** Full HD 1080p resolution and RightLight 4 auto light correction ensure a clear and natural look.

- **Dual mics:** Noise-reducing mics filter out background sounds to ensure employees are heard clearly, even in noisy environments.

- **Show Mode[1]:** Present physical items in video calls by tilting the camera down to show sketches, work in progress, or objects.

- **RightSight Auto Framing[1,2]:** Automatically detects and centers the camera on meeting participants when they stand and move during meetings.

- **Integrated privacy shutter:** Block the camera when you don't wish to be seen with an easy-to-use privacy shutter.

- **A choice you'll feel good about:** Made with a minimum of 68% post-consumer recycled plastic[5] and FSC™-certified paper packaging to reduce impact on the environment.

logitech®

Video	Resolutions	Supports multiple resolutions, including 1080p/30fps and 720p/30fps or 60fps to best support the quality offered by your application and monitor
	Image sensor	4 megapixel
	Diagonal field of view (dFOV)[1]	65°, 78°, or 90°
	Zoom[1]	4x digital zoom
	Autofocus	Yes
	Auto light correction	RightLight 4 auto light correction with HDR for clearer image in various lighting environments ranging from low light to direct sunlight
Audio		Noise-reducing, dual beamforming mics provide business-class audio performance
Connectivity		Easily connects via *USB-C* or USB-A[6]; cable length of 1.5 m (5 ft)
Ease of use	RightSight Auto Framing[1][2]	Keeps the camera centered so meeting participants can stand and move during meetings without leaving the frame
	Show Mode[1]	Present physical items by tilting the camera down to show sketches, work in progress, or other objects
	Integrated privacy shutter	A simple dial on the side makes it easy to hide the lens when not in use
Mounting options		Detachable universal mounting clip fits monitors, LCD displays, or laptops
Image adjustments		Download Logi Tune at www.logi.com/tune to control zoom, adjust color, set manual focus, and easily update firmware

Deployment and management		Logitech Sync[4] supports company-wide deployments at scale. Monitor and manage personal collaboration devices from one single platform with Sync
Certifications		Certified for *Microsoft Teams*, *Zoom*, *Google Meet*, *Works With Chromebook*; TAA compliant[3]
Compatibility		Works with *Windows*, *macOS*, *ChromeOS*[7], and most platforms and operating systems to ensure compatibility and seamless integration in the workplace
General	Dimensions & weight	**Webcam:** Height: 31.5 mm (1.2 in) Width: 110 mm (4.3 in) Depth: 31.5 mm (1.2 in) Weight: 121 g (4.2 oz), incl. mounting clip **Attachable Mounting Clip:** Height: 25 mm (1 in) Width: 45.8 mm (1.8 in) Depth: 65.1 mm (2.6 in) Weight: 40 g (1.4 oz), incl. removable mount adapter Attached cable length: 1.5 m (5 ft)
	What's in the box	Brio 505 webcam with attached *USB-C* cable Mount clip with removable mount adapter User documentation
	Warranty	3-year limited hardware warranty
Sustainability	Made with recycled plastic	Brio 505 plastic content: Minimum 68% post-consumer recycled material[5]
	Responsible packaging	FSC™-certified paper packaging
