Features to communicate and collaborate your way

EDLA Certified

Access the Google Play Store and Google Workspace, along with the full Microsoft 365 suite, directly from the screen. Use apps such as Google Drive, Docs, Sheets, Slides, Teams, Word and PowerPoint.

 Google Enterprise Partner

Your Meeting, Your Way

In-room collaboration, hybrid meetings, and virtual meetings. Work with teams, wherever they are.

Any Screen, Any Time

With integrated NFC, users can simply swipe their fob, card or device to load their personal profile on any Clevertouch anywhere in the world.

Software included at no extra cost

CLEVERMDM®

Your IT team can control, update and troubleshoot a fleet of Clevertouch screens without entering the meeting room, ensuring your users always have the latest versions of apps and software.

[Learn More](#)

CLEVERSHARE®

Any device can download the Clevershare app and connect instantly by typing in the code on the Clevertouch screen for Ultimate collaboration compatible with Android, Windows, iOS, and Chrome devices.

[Learn More](#)

CLEVER® LIVE

CleverLive is a cloud management platform that enables the creation, deployment, and management of content deployed across one or multiple displays, which is compatible with any device.

[Learn More](#)

Features

Phones, laptops or tablets can all share content to the screen using native sharing, without the need to download an app.

Add an Intel Windows 11 Pro i5 or i7 OPS, enabling you to load your existing apps and software from your network.

Collaborate securely with standardised meetings, wherever you are based.

Integration with your current system set up is easy.

Switch between Android and PC mode, or switch off the Android capabilities and just use the PC.

Highly secure with the option to lock down settings and functionality.
