## GNH/GND-700 series

Banknote counter

When it comes to verification of strapped banknotes the GNH/GND-700 series provides complete confidence with fast and accurate performance. Using dynamic vacuum-based counting technology, the GNH/GND-700 series offers variable counting speeds and easily adjustable count positions.

## With selectable counting speeds of 1,000/1,500/2,000/2,400 pcs/min, at the highest speed selection, a 60% productivity increase is achieved over conventional models (1,500 pcs/min.)

### Accuracy, the key to strapped banknote verification

GNH/GND-700 series are next generation vacuum-based banknote counters. With features such as variable counting speeds, easily adjustable count positions and a dust-proof, anti-noise shutter, the GNH/GND-700 Series offers fast and efficient verification of strapped banknotes.

### Variable counting speed

With selectable counting speeds of 1000/1500/2000/2400 pcs/min, at the highest speed selection, a 60% productivity increase is achieved over conventional models (1500 pcs/min.). At the lowest speed selection, the GNH/GND-700 Series is 33% slower than conventional models, making it ideal for counting poor quality banknotes.

### Easily adjustable counting positions

An adjustment knob locates the best counting position, and minimises miscounting of banknotes with pinholes or folded-corners.

### Dust-proof and anti-noise shutter

The GNH-700 and GND-700 are equipped with dust-proof and anti-noise shutters, which open and close automatically on the start and stop of each counting operation.

### Simple and viewable operation panel

The LED display on the compactly designed operation panel, ensures clear and easy viewing, indicating the number of counted banknotes with 4 digits, and batch numbers with 3 digits simultaneously.

	GNH-700	GNH-710	GND-700	GND-710
Shutter	✓	–	✓	–
Dimensions (W × D × H)	350 × 310 × 965 mm (13.7 × 12.2 × 37.9")		350 × 420 × 320 mm (13.7 × 16.5 × 12.5")	
Weight (approx.)	30 kg	29 kg	22 kg	21 kg
Countable banknote size	Length: 90 – 185 mm (3.5 – 7.2") Width: 60 – 97 mm (2.3 – 3.8") Thickness: 0.06 – 0.10 mm (0.002 – 0.003")			
Counting speed	1000, 1500, 2000, 2400 pcs/min.			
Holder capacity	Approx. 150 notes			
Power supply	220 – 240V ± 10% 50/60 Hz 100 – 120V ± 10% 50/60 Hz
