Outdoor Signage

OHDX series

Exceptional durability, stunning visuals in outdoor

Samsung OHDX series is built for tough environments, allowing you to captivate your audience daily by effectively delivering your business message beyond the storefront. Even in varying weather, the OHDX ensures your brand presence stays powerful and memorable with a dynamic customer experience.

Key features

Verified by UL Solutions for outdoor visibility

With a brightness level 3,500 nits (peak 4000 nit) delivering 24/7 performance, the OHDX series is designed to provide clear and vivid content in outdoor environment. OHDX is verified by UL for outdoor visibility brightness, ensuring your message is effectively communicated even in direct sunlight.

Heat dissipation structure

Featuring an advanced heat dissipation system for efficient air circulation, the OHDX series' design prevents heat damage, common in outdoor displays with high-brightness. The display's effective cooling measures help ensure stable and reliable performance in tough environments.

IP56

With certified IP66-rated protection, OHDX series delivers a dustproof and waterproof design that also withstands physical impacts to protect the display. This ensures dependable operation in a variety of outdoor conditions for consistent performance.

* IP56 (Ingress Protection Rating): Degrees of protection provided by enclosures. (IEC 60529)

2nd glass installable structure

Extend the exceptional durability of OHDX further with an optional compatible protective glass addition. Featuring an enhanced heat dissipation structure, the OHDX guarantees reliable performance when using the protective glass add-on, if desired.

* Additional glass layer not included, must be purchased separately through a third party.

Samsung VXT

Samsung VXT combines content and remote device management, allowing you to effortlessly manage hardware settings and troubleshoot issues while creating and deploying content.

* Samsung VXT must be purchased separately.

Specifications

Model			OH55DX-S	OH46DX
Display Panel	Diagonal Size	Class	55"	46"
		Measured	54.6" / 138.7cm	45.9" / 116.8cm
