Video Conferencing Solution for mid- to large-sized meeting rooms and conference halls

Prestigio SOLUTIONS

4K PTZ CAMERA ALPHA

Professional quality

Advanced camera specifications based on Sony Sensor allow to stream video in 4K UHD resolution at 60 fps, providing unsurpassed image quality and maximum realism.

AI intelligent tracking

Camera-integrated smart tracking algorithm ensures participants' instant detection and presenters' smooth automatic tracking & framing.

Convenient connection

The 4K PTZ Camera Alpha is equipped with multiple ports (Ethernet, USB, HDMI, 3G-SDI) for the multiple choice of the camera's connection to the wide range of modern devices.

Power over Ethernet

Thanks to the PoE support, you can place the camera anywhere, such as on the wall, with no need for direct access to a power outlet.
