LightStream™ WXGA 1280x800 Networkable Short Throw Projector

True-to-Life Color + Smart Design

Featuring true-to-life color and a smart design, the ViewSonic® LightStream PJD6552LWS networkable short throw projector makes the grade in any classroom, and helps corporate users rise to the top in any boardroom. Equipped with SuperColor™ technology and a high-brightness output, this projector strikes a perfect balance of color and light to deliver the ultimate in color accuracy without compromise. In addition to incredible screen performance, the PJD6552LWS projector features a smart and intuitive design that includes a tactile keypad for simple operation, a programmable remote control, and PortAll™—a hidden compartment with an integrated MHL/HDMI port that lets you discretely and wirelessly stream multimedia content from a mobile device to the projector. A short throw lens with a 0.49 throw ratio projects large images in small rooms. Equipped with an easy-to-use network management system that lets you remotely control up to 256 LightStream projectors, the PJD6552LWS is great for use in multiple classrooms across an entire campus, or multiple meeting rooms in an office building!
