Product **Description**

Content deployment, interactivity, and messaging couldn't be easier than with the ViewSonic® CDM4300T. Featuring a 10-point touchscreen and internal media player, this Full HD 1080p display gives

you everything you need for easy interactive digital signage – right out of the box. Loaded with a powerful, high-performance quad core CPU and 16GB of storage (upgradeable to 32GB), the integrated

media player ensures continuous hours of smooth, high-definition multimedia content delivery. For expanded connectivity, the media player also features built-in LAN / Wi-Fi. Additional professional-

grade features include , landscape and portrait orientation, an internal scheduler, tiling capability for video wall applications, and a durably designed cabinet for reliable 24/7 operation.

For more detailed information on how ViewSonic ViewBoards can best be utilized in a school environment, see our ViewBoard FAQs.
