

SPEAK2 RANGE

The next generation of professional speakerphones, engineered for hybrid working

Technology for life's new rhythm

ADVANCED AUDIO TECHNOLOGY

- **State-of-the-art sound:** Super-wideband audio¹ and full-range speakers deliver a richer, more powerful audio experience.
- **Full duplex audio:** The Speak2 range goes way beyond standard speakerphone performance, letting everyone on the call speak and be heard at the same time.
- **Premium microphone technology:** Four beamforming microphones, the very latest digital signal processing algorithms and advanced noise cancellation capture conversations with exceptional clarity.
- **Voice Level Normalization:** Automatically equalizes voice levels for a smoother meeting experience that still captures individual personalities.

UNIQUE MICROPHONE QUALITY INDICATOR

- **Voice coach:** This is the only speakerphone that shows you how well you're being heard – in real time.
- **Visual feedback:** An intuitive 360° light ring shows when you're loud and clear – and when you're not.
- **More confidence:** Helps everyone sound their best, wherever they are in the room.

PREMIUM DESIGN & ADDED DURABILITY

- **Premium finish:** Brushed aluminum detailing and custom-designed speaker fabric.
- **Compact size:** Small enough to chuck in a bag and take wherever work takes you.
- **Built to travel:** IP64-rated protection³ from dust and water, plus a protective pouch for on the go.

CERTIFICATIONS

- **Works with all leading platforms:** Certified for Microsoft Teams and works with Zoom, Google Meet, and other leading platforms.
- **Optimized performance:** Professional call quality guaranteed across platforms.
- **Plug & Play simplicity:** Seamless connectivity from the moment you connect.

EASE OF USE & BATTERY

- **Flexible connectivity:** Connect via USB cable or wirelessly – whichever suits best.
- **All-day battery life:** Up to 32 hours of cordless use.
- **Fast pairing:** Speedy setups with Microsoft Swift Pair and Google Fast Pair.

FUTURE-PROOF FLEXIBILITY

- **Maximum compatibility:** Speak2 is the first range of speakerphones with both USB-A and USB-C adapters on the same cable.
- **Ready for tomorrow:** Regular firmware updates on Jabra Direct and Xpress software.
- **Personalized experience:** Customize settings through the Jabra Sound+ app.¹

SUSTAINABILITY

- **Better for the planet:** Sustainability is built into every stage of product development.
- **Designed to last:** The outer casing of Speak2 40 & 55 is made with over 50% sustainable materials⁴ and both devices have a number of built-in parts that can be repaired or replaced.

¹Speak2 75 only, Super-wideband audio experience requires UC client support, and devicesupport

²Initial activation is required via the Jabra Sound+ or Jabra Direct apps

³Avoid exposing the USB cable or adapter plug to moisture or liquids and never charge or power up if the USB cable or adapter plug is wet or moist

⁴Sustainable materials include post-consumer recycled, post-industrial recycled or bio-based materials

Features Speak2 75
