| Response Time           | <8ms                         | Touch accuracy   | <2mm            |
| Touch Points            | 20                           |                  |                 |
| Drive System Parameters |                              |                  |                 |
| CPU                     | Cortex A73x2 A53x2 1.5GHz    |                  |                 |
| RAM                     | 3G DDR3                      |                  |                 |
| Flash                   | 32GB (Standard)              |                  |                 |
| System                  | Android 8.0                  |                  |                 |

## Input Output Interface

1x RS232, 1x YPBPR IN, 2x HDMI IN, 2x RJ45, 1x Touch usb, 1x VGA IN, 1x VGA AUDIO IN, 2x USB 2.0, 2x USB 3.0 (front), 1x AV IN, 1x AV OUT, 1x Earphone (3.5 mm)

## Other Parameters

|                       |                                                                      |
|-----------------------|----------------------------------------------------------------------|
| <b>BlueTooth</b>      | Bluetooth 4.1 (supports file sharing and external Bluetooth devices) |
| <b>Wifi</b>           | 2.4Ghz/5Ghz (also supports Wifi hotspot)                             |
| <b>OPS PC Support</b> | WINDOWS10 (Optional)                                                 |
| <b>Speakers</b>       | 2x 15W Speakers with surround sound and equalizer                    |

## Other Functions

|                                       |                                                                                                                                                                                                                                                       |
|---------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>EShare</b>                         | Share up to 9 screens simultaneously on the OneScreen. Screen mirroring back to student devices now allows teacher to pass view only and view and control access. Authenticate users before letting them share screens. Password protection available |
| <b>Temperature Detection Function</b> | Display the internal temperature of the machine on the all-in-one menu interface and automatically shut down if there is a failure or the temperature exceeds the standard                                                                            |
| <b>Gestures</b>                       | Wipe the written text and patterns on the screen by hand gestures                                                                                                                                                                                     |

## Size & Weight

|                            |                         |                        |           |
|----------------------------|-------------------------|------------------------|-----------|
| <b>Product Dimensions</b>  | 76.90" x 3.62" x 45.72" | <b>Product Weight</b>  | 163.2 lbs |
| <b>Shipping Dimensions</b> | 84.88" x 8.86" x 52.24" | <b>Shipping Weight</b> | 209.4 lbs |
| <b>VESA Mount</b>          | 800x400                 |                        |           |

## Power Supply Parameters

|                                |                    |
|--------------------------------|--------------------|
| <b>Rated Power Consumption</b> | ≤ 410W             |
| <b>Standby Power</b>           | < 1W               |
| <b>Rated Voltage</b>           | 100-240VAC 50/60HZ |

## Environmental Requirement

|                              |            |                                   |         |
|------------------------------|------------|-----------------------------------|---------|
| <b>Operating Temperature</b> | -10°C-50°C | <b>Operating Ambient Humidity</b> | 10%-90% |
| <b>Storage Temperature</b>   | -20°C-60°C | <b>Storage Humidity</b>           | 10%-90% |

## Accessories

2x Stylus pens, 1x Extendible Stylus, 1x Remote Control, 1x Power cord, 1x HDMI cable, 1x USB Touch cable
