

Yealink CM-MountKIT Datasheet

Introduction

Introducing the CM20 Mount Kit, expanding your CM20 deployment options with suspension rope, on-ceiling mount, and length-adjustable pole.

Effortlessly adjust height with suspension pole for precise positioning in any-sized room. Mount your CM20 on the ceiling with on-ceiling mount for superior audio coverage. For temporary setups, utilize suspension ropes for quick and easy adjustments.

Specification

Parameter	Description
Physical Feature	• Length-Adjustable Pole: 350mm(up to 614mm)*67mm*67mm • On-ceiling Mount: 67mm*67mm*38mm • Suspension Rope: 3m • Carton Meas: 435*242*415mm • N.W/CTN: 4.7kg
