

Pair CPE40 with Yealink MeetingEye

Introduction

Yealink CPE40 is a professional-grade conference room speaker that integrates noise reduction, echo cancellation, and reverberation removal. It features Yealink's audio solutions and is equipped with an upgraded 8-unit omnidirectional microphone array for 360 ° pickup. It effectively eliminates conference room noises, including reverberation, echo, air conditioning vibration, and keyboard typing.

Paired with high-quality full-frequency speakers, it delivers a clearer and more natural human voice. It supports daisy-chaining for expanded conference spaces and flexible deployment, ensuring stable calls and clear video conferences, providing an immersive audio communication experience.

Before You Begin

- For the compatibility of CPE40 and Yealink MeetingEye, refer to [Rooms Accessories Compatibility Lists](#).
- For how to install and use CPE40, refer to [Yealink CPE40 Quick Start Guide](#).
- CPE40 needs to be used together with [CP50](#).

Connect CPE40 to Yealink MeetingEye

Connect one CPE40

Connect multiple CPE40

Update CPE40

When the CPE40 is connected to the CP50, upgrading the CP50 will also upgrade the CPE40. Refer to

[Firmware Upgrade.](#)
